➤ MY ACTIVITIES FOR THE TTTdM

I joined the Think Tank Trinità dei Monti as a "Young Think Tanker" in September 2018. From the beginning, I started as Press Officer, dealing with the preparation of pre and postevent press releases, sending them to editors and journalists and receiving press and media at events, especially in Naples. Since its start, I joined the Editorial Committee for the TDM Newsletter, writing some articles for it. I am also involved on the Podcast project of the TDM, putting my technical skills at the service of the working group. Furthermore I am working on a project concerning AI & Blockchain.
