➤ MY ACTIVITIES FOR THE TTTdM

I joined the Think Tank Trinità dei Monti as a "Young Thinktanker" in April 2020. I am part of the editorial team, I write and correct articles on a monthly basis. I am also participating in the launch of the "8 o'clock" podcast for which I am a speaker, researcher and translator.

STUDIES ◀

I completed a first year degree of political science at the University of Paris Nanterre, after which I joined a selective bachelor in political studies at the Nouveau Collège d'Etudes Politiques (NCEP). In the last semester of my bachelor's degree, I went on a six-month exchange through the Erasmus programme at the University of Bologna, Alma mater Studiorum. Then, I completed a master's degree in European studies at Sorbonne Nouvelle University, realizing another six-month exchange at the University of Rome, La Sapienza. At the same time, I took and passed a course in economic policies at the University of Florence.
